Youth Ministry Programming**

What is Weekends on Wednesdays (WOW)? It is weekly summer events for our youth *and their friends*. Each Wednesday throughout the summer will have a different activity planned. Some additional activities are scheduled for other days of the week.

Check out the calendar on the opposite page to see what we will be doing this summer. For more specifics on an event including cost, times, a brief description, minimum number of participants needed, and registration deadline please read the details on the following pages of this brochure.

Some of the events have a small fee to cover admissions to events, transportation, and equipment.

To reserve a spot, please register and pay any dues by the Sunday before the event (unless otherwise noted). Medical release forms will be available and an up to date form is necessary to participate in an event.

New to this year, we are requiring t-shirts for all events hosted at a venue other than church.

Janelle Berning & the Youth Team

Refund Policy:

Registration fees are refundable. You may also use the money to pay for another student or to pay for a future event. We will do our very best to accommodate for any changes in an event.

Parent Volunteers:

Parents are more than welcome to get in on any one of these events! If additional chaperones are needed for an event, we will cover your cost for an event.

Weather Cancellations:

In the event of bad weather, we will do our best to contact you and let you know whether we will be making adjustments, canceling an event altogether, or if the event is still on as scheduled.

Contact:

If you have additional questions, feel free to call or e-mail me anytime.
